BUYERS GUIDE

If you have not bought from Dunbar Sloane before, please read the following notes. Staff will be pleased to answer any questions you may have.

BEFORE AUCTION

The terms and conditions under which the buyer acts at a sale are detailed at the back of this catalogue. We recommend that you read and understand these conditions of business before registering to bid at an auction. This sale is subject to the conditions of business printed in this catalogue and to the reserves.

Viewing

All lots are available for inspection prior to the sale. Although staff will endeavour to answer your enquiries, and give advice, the final decision to bid, is at your discretion and liability.

Pre-Sale Estimates

The estimated prices printed below the catalogue descriptions are in New Zealand dollars and are the approximate prices expected to be realised, excluding buyers premium. They are not definitive, they are prepared well in advance of the sale and they are subject to revision.

Condition Reports

Dunbar Sloane Ltd will provide a verbal condition report if you would like an opinion on any particular lot prior to purchasing. These must be requested at least 24 hours before the commencement of auction. All goods are sold "as is" and it is up to the buyer to satisfy themselves as to the condition of an item before the auction.

THE AUCTION

Buying at Auction

You are able to bid using the following four methods:

1. Bidding in the Room

To bid at the auction you will need to register for a bidding number at the front desk either during the viewing or prior to the auction. Please bid clearly and promptly using your bidding number.

2. Absentee Bidding

If you are unable to attend the auction, Dunbar Sloane Ltd can bid on your behalf according to your written instructions. This is a free service for intended buyers. Please complete clearly the form at the back of this catalogue and submit it to Dunbar Sloane Ltd at least 24 hours before the sale to ensure it is safely received. Lots will be purchased for you as reasonably as possible, subject to other bids in the room and to reserves.

3. Telephone Bidding

If you are unable to attend the auction, you can elect to bid by telephone (subject to availability). Telephone bidding must be arranged with Dunbar Sloane Ltd prior to the sale and is subject to a minimum lot estimate of \$500 or greater. Please note that the auctioneer determines the increments in bidding, not the telephone bidder. We accept no responsibility if for whatever reason we are unable to contact you and as such recommend leaving a covering bid.

4. Live Online Bidding

We offer live online bidding on our website: www.dunbarsloane.co.nz

Registering online does not automatically register to bid, and further identification maybe required, especially if you are an International client.

Selling Rate

Fine Art auctions are generally conducted at the rate of about 60 lots per hour. However, this can vary.
